The Soho—Fog rug from Warp & Weft is hand-woven in Nepal using the finest hand-carded and hand-spun Himalayan wool and Indian mulberry silk. Each rug receives a luxurious finish and wash in Switzerland, which preserves the natural lanolin in the wool, making the rug more lustrous, soft and durable. Warp & Weft rugs are GoodWeave certified, ensuring that no child labor was used in manufacturing. Available in custom sizes, colors and textures. 212 481 4949 warpandweft.com
