product 40.
standout A side table clad in stripes of dyed parchment paper is one of six introductions from the Thai-American talent's new furniture and lighting brand, which aims to produce cross-cultural "conversations" between the two countries. pernbaan.com

product Aman.
standout A shapely terra-cotta vessel with endearingly wiggly details made by artisans in Honduras is a highlight of the brand founder's collection of affordable handcrafted objects, furniture, and wall art. mesogoods.com

product Fortune.
standout The fortune cookie's pinched-circle shape sparked the form of the Jumbo studio founders' plastic chair, in six foodie hues: oatmeal, cookie, olive, tomato, dark cherry, and licorice. Through DWR and Heller. dwr.com; hellerfurniture.com

product Gale.
standout Wool and silk combine in this hand-knotted rug by the *Interior Design Hall of Famers* and Yabu Pushelberg cofounders, sporting an organically raked texture and muted palette inspired by ariel views of Earth. warpandweft.com
